**Versatile and attractive, Allura™ shutter is perfect for security in high pedestrian traffic areas**

Heavily visited areas such as retail stores, pharmacies and hospitals often need the security that the Allura™ shutter door offers as well as the flexibility in the aesthetic options to match the surrounding environment.

Allura™ Model 653 is a next generation light-duty door solution that is versatile enough for specialty uses and has a space-saving design, making it perfect for installations with limited side room and headroom. Multiple perforation and fenestration options allow for many configurations with the right amount of light and air passage.

**Hood with bracket dimensions**

Door height	Box size
Up to 8'	7" x 7"
9' to 10'	8" x 8"
11' to 12'	9" x 9"
