

**Nomenclature for standard FORT® door designs.**

**FORT®** door Designs are in accordance with ANSI A250.7-1997 "Nomenclature for standard steel doors & Steel frames" and 'SDI 106-99 'Recommend Standard door type Nomenclature'".

**NOMENCLATURE LETTER SYMBOLS EXPLANATORY NOTES**

- F. 'Flush door'
- V. "Vision Lite Door", 250mm Square-lite.
- N. 'Narrow Lite Door', near the lock stile.
- G. 'Glass Door'
- L. "Louvered door"
- FL. "Full Louvered Door"
- D. 'Dutch Door', A two panel door, separated horizontally

**FORT® Wood Grain Finish**

**FORT®** Wood Grain Doors offer the perfect combination and alternative for architects who prefer to use "Steel" over "Timber". These doors offer the 'elegance of wood' with 'strength of steel'.
